FASTBIND SECURA

MULTIPLE TYPES OF BINDS

Fastbind's unique rotary binding method makes the Secura the most flexible system available. It quickly produces hard and soft cover books as well as manager covers, tear-off pads and strip binding. The end result is perfect binding that is strong, square and affordable.

EASY TO USE

It's easier to learn than an office copier! Anyone can be making professional quality books and reports in minutes. There are no set-up times or book format adjustments. It self adjusts for book thickness from 2 to 400 pages.

The optional cover trimmer enables the bound book cover to be flush trimmed for the perfect finish, without the requirement for a guillotine

COMPACT AND FULLY FEATURED

Our binder will fit nicely on your countertop. It's odorless and quiet. Nevertheless they are no sacrifices. It's rugged, dependable and will operate economically for many years.
